TO ALL FRUIT LOGISTICA EXHIBITORS AND STAND CONSTRUCTION COMPANIES

In order to ensure stand construction runs smoothly, please follow these guidelines and pass this information on to other companies and persons involved.

Stand construction will end on Monday, 3 February 2020 at 12:00 midnight!
No stand construction activities are permitted after this deadline.

The aisleways around your stand space must be free of waste materials and empties.

Waste, pallets, empties and industrial transport equipment must not be left in the aisleways and must be removed from the exhibition hall.

Please order your own **waste bins** and empties storage at **BECO-Webshop by 7 January 2020**.

Aisleway cleaning and carpet laying will begin on **Tuesday, 4 February 2020, 12:00 noon**.
